

CORONAVIRUS ACTION PLAN FOR MEMBERS & VISITORS

At Parklands Golf Club, the health, wellbeing and safety of our members, visitors and our team is priority. While we are very much aware and understand our members and visitors being concerned about Covid-19, we want to reassure you that we're monitoring the developing situation extremely closely and we are following all advice issued by the Chief Medical Officer and Public Health England.

We have taken the actions below, which are consistent with Government advice, and we ask that you follow these steps

- We have enhanced operating, cleaning and hygiene protocols everywhere.
- The Clubhouse Bar & Restaurant will remain open for food & drinks for members and visitors, however we will review this on a weekly basis
- We will be rolling out antibacterial hand sanitisers on the 1st tee and driving range within the next 48 hours and urge everyone to use them.

- Please do not come to the club if you have had a persistent new cough or a fever (temperature above 37.8C). Follow government advice and self-isolate for 14 days.
- Keep your hands clean, wash regularly and thoroughly, for at least 20 seconds with soap and water.
- Always carry tissues with you and use them to catch all coughs and sneezes and then bin the tissue – then wash your hands with soap and water, or use a sanitiser.
- If you think you may have encountered the virus, please follow the government advice, and self-isolate in the first instance.
